

Ball Green Primary School

Instrument of Governance

Instrument of Government

At Ball Green Primary School, the governors have an unwavering commitment to ensure that the school is the best that it can be. They actively seek to support and challenge the Head Teacher, helping to set the vision and strategic direction of the school.

Some of the responsibilities carried out by the governors include:

- Ensuring that the school meets its legal responsibilities
- Setting the school budget
- Making decisions about buildings and premises
- Appointing and securing staffing
- Scrutinising performance data and ensuring actions are taken to improve standards

We hold three Full Governing Body meetings each year where the Headteacher submits a detailed Headteacher's report which, along with data and independent reports, helps us to form decisions about the strategic direction of the school.

Each governor brings with them a wealth of experience and skills from a range of backgrounds. They visit the school as often as possible and we are proud to have such a committed Governing Body.

Every child. Every chance. Every day.

Article 28: Every child has the right to an education.

Article 29: Ball Green Primary School has a responsibility to develop every child's personality, talents and abilities to the full.
