- ✓ Protect children from the risks associated with using devices connected to the internet.
- ✓ Ensure staff, parent, and child data remains secure and is not lost or misused.
- ✓ Ensure robust safeguarding measures continue to be in effect during the period of remote learning.

- 2.3 The school will communicate its contingency plans for local restrictions with parents, including whether it will remain open to vulnerable children and children of critical workers, or if remote working will be applicable for all.
- 2.4 If local restrictions are **not** applied, but a single class or 'bubble' needs to self-isolate, the school will immediately implement remote learning for that group.
- 2.5 The level of remote learning provision required will be based on the government's four tiers of local restrictions. Where there are no local restrictions in place, the school will continue to remain fully open to all, and these tiers will not apply.

Tier 1 local restrictions

- 2.6 The school will remain open if Tier 1 restrictions are in place, and remote learning will not be provided at this time.

Blended Learning Policy

- 3.4 When teaching children who are working remotely, teachers will:
- ✓ Set work/challenges so that children have meaningful and ambitious work each day.
 - ✓ Deliver a planned, coherent and well-sequenced curriculum which allows skills to be built incrementally.
 - ✓ Provide frequent, clear explanations of new content through high-quality curriculum resources, including through educational videos.
 - ✓ Assess progress by using questions, quizzes and other suitable tasks and be clear on how regularly work will be checked.
 - ✓ Adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure children's understanding.
 - ✓ Plan a programme that is of equivalent length to the core teaching children would receive in school, ideally including daily contact with teachers.
- 3.5 All provisions for remote learning will be subject to the class group's age, ability and/or any SEND.
- 3.6 In exceptional circumstances, the school may reduce its curriculum offering to enable children to cope with the workload – the **Headteacher** will assess this need, keeping children's best interests in mind, and will not take the decision lightly.
- 3.7 Teachers will continue to make use of formative assessments throughout the academic year, e.g. quizzes.
- 3.8 The school will utilise the support available through the DfE's 'Get help with technology during coronavirus (COVID-19)' scheme.
- 3.9 Under the scheme, the school can order laptops, tablets and 4G wireless routers to support the following groups of children if they do not have access to a digital device or the internet through other means:
- ✓ Children in Years 3 to 6;
 - ✓ Clinically extremely vulnerable children across all year groups who are shielding or self-isolating in line with government advice;
 - ✓ Children in all year groups who are unable to access remote education whilst attending school on a hospital site.
- 3.10 Before distributing devices, the school will ensure:
- ✓ The devices are set up to access remote education;
 - ✓ Appropriate safeguarding controls and support are in place to help children and their families use the devices safely.

4.3 The **headteacher** will listen to all concerns that parents may have about their child returning to school and will advise them of the measures in place to ensure the safety of their child.

5. Monitoring and review
